TENNIS GROUPINGS

Children are grouped according to age and level with between 4 and 5 students per pro per court on our 20 available courts (6 indoor courts year round and 14 outdoor courts in the summer). We will motivate your child to play as much tennis as is physically possible for their relative age/level. All activities, tennis-sports-swimming, will be conducted with a color war format to promote maximum participation and enthusiasm.

Group I “Aspiring Player” Ia Ages 8-11 and Ib 12-16

Group I is for those campers who range in level from those just starting to those beginning to develop consistency with groundstroke and serve. Group I will stress fundamental development and self hitting with the ultimate goal of playing games and sets.

Group II “Players” Ila ages 8-11 and Iib 12-16

Group II is for those campers capable of self-hitting, playing matches and being challenged physically. Group II players will hit more balls, play more matches and get more fit than ever before. Players will complete in inter-club matches with clubs throughout Westchester during the week. They will also be introduced to and assisted with the process of USTA tournament entry for the summer and upcoming fall/winter schedules.

Group III Future Stars: Ages 4-7

TCR will be installing four new Quick-Start courts in our basketball gymnasium just for our Future Stars. Quick-Start was created by the United States Tennis Association to provide an easier to learn and more fun tennis court for our younger players. Balls are lighter and are harder to hit out and therefore get kids to feel successful sooner than on a regular court.

These younger campers will also participate in a daily exercise/sports color war program where we will introduce the importance of physical fitness, stretching, regular exercise and proper nutrition. Other activities used as cool downs and functional breaks throughout the day include story time, playground play and a park excursion.

TRANSPORTATION

At TCR, we take great care with the all-important job of transporting our kids to and from home. We utilize our own vehicles and our own year round staff drivers. We pick up and drop off door to door. All students must wear seat belts and will be dropped off in front of the home, on the home side of the street, and the driver will not leave until the doorman or a member of the residence receives the child. Pickups will range from 8:00 – 9:00 am and drop offs from 5:00 – 5:30 pm depending on home location.

We will pick up south to Battery Park and north to Greenwich, Connecticut with a \$60 surcharge per week south of 60th street and from Scarsdale north. We are in constant communication with our vehicles and one can always call the club to ascertain the location relative to home for both pickups and drop-off. One can also change drop-off or pick-up locations with notice and can arrange for late pick-up or early drop-off.

CLUB FACILITIES

TCR is a comprehensive 110,000 sq. ft. multi-sport family membership club, complete with 6 indoor air-cooled tennis courts, 14 outdoor courts in the summer, a competition length pool, basketball gymnasium, table tennis rec-hall, adult fitness center, and cafe.
